GREAT PLAINS AREA SALT

The song that comes to mind right now is, "Baby It's Cold Outside"! It's cold in Kansas City. We got 6" of new snow Wednesday on top of the 8" we got last week and more possibly on the way - burrr...but Chi Alpha is blazing a trail in Kansas!

We took 30 students from Kansas to the Great Plains SALT Conference in Sioux Falls, South Dakota, January 6-9. What an exciting time we had with students from the Great Plains area, all 615 of them! God did amazing things in our student's lives - 5 accepted Jesus as their personal Savior, 12 were baptized in water, and 60+ baptized in the Holy Spirit. I can't wait to see how God uses them on their campuses throughout the area. You should be excited too, it's because of your faithful support and prayers that we can see and experience these things on our secular university campuses! Thank you.

Snyder Family News

Not only are things busy with Chi Alpha, they are going fast and furious in our house. Our daughter Elizabeth is getting married on April 2 to Cody Ketzner. They are high school sweethearts and Cody is a great guy, perfect for our baby girl. We love him and are excited to have him as a son-in-law. Wendy and Elizabeth are busy with wedding plans - dress fittings, addressing invitations, choosing flowers, and everything else that goes with wedding planning. Can't wait to see what great and exciting things God is going to do in their lives. It's an exciting time in our house and we are ready for this new chapter in our lives...in-laws.

Prayer Request:

- We need to raise \$2,000 more in monthly support and have begun itinerating/support raising
- A new computer and printer
- We would like to get Chi Alpha started on other campuses in the state, please pray God would give us favor and raise up laborers.

Thank you for your investment in our ministry and in students' lives. We are honored that you support us financially and that you lift our names to the Lord asking Him to provide for our family. We have an awesome support team and thank God for you regularly.
