

Kackley Kronicles

Volume 11

12t Quarter 2011

Notes from Newcomers:

The nature of a church reaching U.S. Military overseas is one of constant turnover. One of the target groups of our church is reaching out to those on TDY (temporary duty) assignments here in Kaiserslautern. While we would love to have these people be a permanent part of our church family, it is not possible. It is however a blessing to know we have had a chance to encourage them and we pray that they leave our area with a renewed hope and strength. We wanted to share with you, our supporters, two of the recent notes we received from soldiers who had visited our services, one male and one female. Only initials are used in order to protect their privacy.

Dear Pastor,

Thank you for your email response to my visit. I was happy to attend the service and plan to return with my friends while I am here in the area TDY. God certainly met me there, something I sorely needed. L.M.

Dear Pastor,

I went to the service today, for the first time in a long time. The message you had about the unborn child was exactly what I needed to hear. I'll be on leave for the next two weeks, but when I get back I plan to volunteer at the Pregnancy Crisis Center. I'm 13 weeks pregnant now and it has been a real struggle for me so I think volunteering would be good. Please give me some details about the kind of volunteer work that is available. Thanks, S.D.

Signs of Spring in the Air!

Spring always is a time of excitement as we anticipate the growth of color in our environment after the bleak winter. This Spring brings a lot of excitement at Kaiserslautern Military Community A/G as we prepare for a production of the **Living Last Supper**.

We've been working on props, costumes, and practicing parts for about 4 months now and are praying for a full house each evening as we present this dramatization of Leonardo Da Vinci's work. Our prayer is that we have many visitors who will hear the gospel message through the drama. Two specific people we have invited, are our local Doctor G and Marilyn's hairdresser (Stephanie). Please remember to pray especially for these two people that they will desire to come..

What a joy it was to host our Kansas District Pastors Terry & Karen Yancey

this past month.

Karen spoke at our Women's Retreat in the Erzgebirge mountains. We had record attendance and the ladies were truly blessed by her ministry. Those who were at our regular service at the church were privileged to hear a message from Bro. Terry.

Prayer & Praise:

- The newcomers to the military community as we reach out to them with a message of hope!
- Please keep Marilyn in your prayers as she continues to have a lot of pain in her back as a result of the car wreck on the Autobahn last October.
- We praise the Lord for YOU, our faithful prayer & financial supporters. We pray he bless you for your faithfulness!
