## I. Overview of the J. Robert Ashcroft National Youth Scholarship Program

The J. Robert Ashcroft National Youth Scholarship Program (NYSP), jointly sponsored by The Alliance for AG Higher Education and Youth Department of The General Council of the Assemblies of God gives financial assistance to outstanding Assemblies of God youth to attend endorsed AG colleges. The NYSP is open to high school seniors attending Assemblies of God churches. District level winners become nominees for the National Youth Scholarship. National winners are selected by the NYSP Committee on the basis of academic achievement, extracurricular activities, Christian service, and Christian character. In order to receive the scholarship money, winners must attend an endorsed Assemblies of God college the fall immediately following their high school graduation. The scholarship is granted for the first year following high school graduation.

The NYSP is administered by the NYSP Committee, which is comprised of the Director of the National Youth Department, the Assistant Vice President for Faculty and Student Relations of The Alliance, and other members selected by the two departments. The chairperson of the NYSP Committee shall rotate between the Youth Department and The Alliance.

National winners are awarded scholarships to the endorsed Assemblies of God college or institute of their choice as follows: First Place, \$8,000 (\$4,000 awarded per semester for two semesters); Second Place, \$4,000 (\$2,000 awarded per semester for two semesters); Third Place, \$2,000 (\$1,000 awarded per semester for two semesters).

## I. Purpose of the NYSP

### A. For the Youth

1. The NYSP encourages AG youth to consider attending an AG college, university or institute.
2. The NYSP provides financial assistance to three national winners. In addition, some districts also give financial assistance to their winners.

### B. For the College or Institute

1. The NYSP provides an excellent means of publicity for AG colleges, universities and institutes. The Program is advertised in district bulletins and Headquarters' publications to give it wide circulation among prospective AG college students and parents. Pastors and youth pastors are encouraged to get their youth involved in the NYSP.

### C. For the Church

1. The NYSP provides an opportunity for the Fellowship and its member churches to demonstrate a concern for and interest in the youth of the AG.
2. The NYSP exists as a vehicle for effectively strengthening the church by supporting the training of its most outstanding youth as its future leaders.

## II. Funding the NYSP

- A. Each district youth department will supply the funds for district winners. The district youth department will establish the amount of the scholarship for district winners.
