## Missionaries to Colombia

Assemblies of God World Missions

### Tocancipa Construction

We are excited about the ongoing construction at the Tocancipa church project. The church is growing and needs more room for their temple, as well as for classes and offices. A maps team from ST Charles First Assembly did a great job getting the construction started. The church is carrying it on and hoping to be in their new facility soon. Pray with us for this great work as they continue to reach out and win souls for God's kingdom.

Youth event in Medellin

We recently were in Medellin Colombia and saw God do great things during a youth retreat. Many young people were saved and filled with God's Spirit during this time.

We also were privileged to see God do great things in Cali Colombia at a youth camp two weeks ago. It's great seeing God touch the youth of this country!

**We're home...**We wanted to let you all know that we have just finished our fourth term to Colombia, and have returned to the states to begin our time of itineration. We would love to be with you and your church to share some of the exciting things that God is doing in the country of Colombia. If you would like us to come, please contact us right away. We have seen many come to Jesus in these four years, as well as several new churches established.

Thank you so much for all your support and prayers for this ministry. It is appreciated and God is using it greatly. God bless you all!
