VHCA Wins \$400.00 Grant From TCCF

The Thomas County Community Foundation recently awarded Victory House Teen Challenge a \$400.00 grant to help buy computers for the student's schooling. VHCA works with Thomas County Learning Center to provide the girls with quality, high school education. This grant has already been used to help supply two new desktop computers for our classroom. The girls had been using very old donated computers that were prone to crashing at a moment's notice. Thank you Melinda Olson, and the Thomas County Community Foundation.

Lydia & Haley do their studies on our new computers.

Girls Perform at the Frahm Theater

The girls "wowed" the audience at the Colby Community College as they preformed by signing "Redeemer" They were fearless on stage. (before and after they were scared) but during their signing they were fearless. The girls all learn signing for the hearing impaired while they are with us at VHCA

Prayer Requests.

- **Pray for the students** as they experience life transformation. 2 Cor 3:18 But we all... changed ..by the Spirit of the Lord.
- **Pray for our Staff-** the load is heavy and the hours are long. 2 Cor 12:9 God's grace is sufficient for thee: for my strength is made perfect in weakness."
- **Pray for our financial needs-** One of our guiding principles is to offer tuition costs that are affordable to all. In order to do this we must depend upon **financial donors** to help pay the bills (Luke 6:38 Give, and it shall be given unto you...)
- **Pray for us to be able to schedule rallies** with our local Pastors and Churches
- **Praise Report-** One of our Young Ladies was filled with the Holy Spirit last weekend at Youth Convention.

Thanksgiving Day 2011

We had a wonderful thanksgiving, (Although holidays are always hard on the girls) The girls made our Thanksgiving meal themselves!
