

Hello,

My name is Nancy Wyatt. Pastor Gail has asked me to become the new District JBQ Coordinator. I am honored not only to be asked but also to hear from the Lord with an answer. I am happy to accept this opportunity to lead Kansas children in the area of JBQ. I am very excited about our upcoming quiz year. I am also looking forward to getting to know the coaches, kids and their parents now involved with JBQ.

The Regional Coordinators and I are looking to grow the JBQ program in Kansas and would like to invite your church, if you are not already participating, to check out the JBQ program. The statistics on JBQ are astounding. “Approximately ninety percent of kids who complete at least four years of Junior Bible Quiz and their parents are involved in the process do not walk away from the faith.” (JBQ Study by John Crabtree; Youtube.com – JBQ Promotion Video.) WOW! Ninety percent stay in the faith!

If you have any questions or need a little more information, please call me or visit the JBQ website at www.nationaljbq.org. There is a lot of helpful information on the website. Or maybe you would like to just start with the Bible Master Award program to see if your kids are interested. That could be your first step toward starting the program. Again, please contact me if you are interested. We would love to have your kids in JBQ!
