

Superintendent's Report  
January – December, 2016

I feel confident that some people have the same curiosity toward a Network Superintendent as they do toward a local pastor. *What does he DO with his time?* I assure you, the work never gets boring, always offers variety, and occasionally elevates the levels of stress into the “critical” zone. Thankfully, 85 – 90% of the work produces joy and Kingdom satisfaction. Only about 10-15% gets heavy but it feels, at times, VERY heavy indeed. However, the Spirit gives generous amounts of grace!

I cannot highlight 2016 without first expressing my deepest appreciation and acknowledging an insurmountable debt to my faithful and wonderful wife of 38 years. Karen stands by me, prays for me, gives me great ideas, counsels and supports me. I thank God I face life and ministry with her standing beside me. Second, I can maintain the pace of life and ministry that I keep due greatly to a wonderful AGK Board, and the team around me at the AGK Office. They and the Wheat State Camp team represent the finest of godly people! *Therefore, with their able and diligent labor, during 2016 I had the privilege to...*

- Envision and help execute another annual AGK Prayer Summit

- Travel to Ethiopia, Wales, and Bangladesh for prayer, teaching, ministry celebrations, and preaching assignments
- Preach and teach at church banquets and services
- Envision and help execute Church Ministries Conference. (With only 60 churches participating, we had more than 415 credential holders and local lay ministry leaders

attend.)

- Meet 19 times with pastors of District Affiliated Churches
- Consult (along with Karen) numerous pastoral leaders regarding outreach and leadership
- Conduct multiple local church board training sessions
- Oversee a great training opportunity for rural churches in the West and East of Kansas. Pastor Rob Frazier helped organize and our friend, Missionary Kent Anderson, provided excellent training.

- Install six new pastors

- Meet privately with dozens of credential holders for consultation, prayer and encouragement
- Assist multiple local church boards to prepare and operate in “Pastoral Search Team Mode” (our seasoned PST Consultants do a great job walking these PST’s through the full process of finding a new pastoral leader. Your AGK Office provides these consultants as a free resource to all AGK churches.)
- Envision and help execute Woodston Family Camp and Intermission

- Dedicate buildings, visit pastors on Sunday’s we weren’t preaching elsewhere
- Dedicate baby PK’s
- Work in conjunction with our two selfless, dedicated Executive Officers on credential and budgetary issues: Secretary, Pastor Vance Cauthon, Treasurer, Pastor Jonathan Hollis. Two finer men you will not find!

- Conduct weekly staff meetings where we pray for the AGK and pressing issues of life
- Initiate or respond to email, texts, phone calls
- Drive about 40,000 ministry miles within the state and a few trips outside of Kansas
- I began in September, along with Karen, to take seriously the spiritual responsibility to observe a “Sabbath day” each week

Every ministry leader with whom I have relationship works hard and takes seriously their calling. I feel honored that Jesus entrusted me with the duties associated with the role of a “Network Superintendent.”

With much love and appreciation for *who you are* as leaders *and* for all you do to press forward the claims of Jesus in this state and around the globe,

Pastor Terry

Terry L. Yancey, D Min  
AGK Superintendent
