

# 2023 US MISSIONS REPORT

“Worldwide redemption is not an afterthought but a part of the eternal purpose of the heavenly Father.”

Dr. Owen Carr

If you had to guess, how many people in the United States would you say have a biblical worldview—believing the Bible is accurate, authoritative, and applicable to every area of life?

Here’s the stark reality:

- Only 51% claim to have a biblical worldview, yet 41% believe that the Bible, the Koran, and the Book of Mormon express the same divine truths.\*
- An estimated 6% of people living in the United States embrace God's Word as the defining element of their daily lives and an alarming 22.8% of all Americans answer "None" on surveys about religious affiliation.
- A reported 45% of teenagers in the U.S. believe that all religions teach equally valid truths.
- The Global Youth Culture study by OneHope reveals that a disturbing 25% of teens have reported feeling sexually attracted to someone of the same gender.
- Over one-third (35%) of U.S. teens reported having suicidal thoughts in the last three months — the highest rate of any country in this global survey.

Among youth and adults alike, symptoms of distress and brokenness are on the rise, with steadily climbing numbers of drug overdoses, anxiety, and more. Without Jesus, people — especially younger generations — have little defense against increasing pressure, confusion, and despair. Jesus is the answer.

Because Jesus is the answer, missions is vital.

As part of God’s global missionary initiative, U.S. Missions is an indispensable asset to the Kansas Ministry Network. They provide extensive support, resources, and training to ministers and churches, helping to

establish and reinforce local churches, engage with communities, and spread the HOPE found in the gospel of Jesus Christ.

To each of our AGK U.S. Missionaries, we say THANK YOU. Because of your tireless efforts, the U.S. Missions is fostering growth and vibrancy of the Kansas Ministry Network.

To the AGK Ministry Network churches, pastors, and credential holders who collectively gave \$416,512.16 to U.S. Missions in 2023, THANK YOU! This is an \$8,431.56 increase over 2022.

We are—and must remain—a forward-leaning, Kingdom-minded Network. We dare not stay so safe within the walls of our church buildings that we become unable or unwilling to hear the cries of the dying. We are committed to making Kansas the *easiest* place in the world for people to *experience* the *presence* and *forgiveness* of Jesus.

This is who we are!

## DONATION AMOUNT & PERCENTAGE BY WORSHIP ATTENDANCE

## U.S. MISSIONS REVIEW OF FAITH PROMISES AND CASH RECEIPTS FOR 2023

We have a total of \$6,436,740 in monthly Faith Promises representing 116,687 commitments. This represents 1,968 missions accounts for 2023.

Churches FP	\$2,179,448/39,985	\$26,153,376 Yearly
Individuals FP	\$4,013,590/74,767	\$48,163,080 Yearly
Others FP	\$243,702/1,935	\$2,924,424 Yearly

*(First \$ amount = monthly FP total for type of donor/= number of unique donors)*

If all faith promises were coming in without one-time offerings and special personal (09) offerings, U.S. Missions would be receiving \$77,240,880 per year from Faith Promises alone.

**From our Faith Promise income, we received \$47,854,797 OR 62% of total promised.**

Churches FP	\$20,201,979	78% of what was promised
Individuals FP	\$26,260,022	55% of what was promised
Others FP	\$1,392,796	48% of what was promised

**U.S. Missions received \$75,570,415.85\*\*\* contributions for 2023 (of these contributions \$1,593,719.28 are (09) special personal offerings).**

Churches	\$31,648,264.36 /7,867 unique donors
Individuals	\$38,661,292.02/43,528 unique donors
Others	\$5,260,859.47 /1,570 unique donors

\*\*\*This number changes daily due to adjustments. They also do not include half-tithes so this total is less than what U.S. Missions totals will show for year-end reporting.
