

Ministries Report for 2022

KYM Report

2022 was a great year! Students were given opportunities to serve through Saturate and the AIM Trip to Alaska. We had great attendance for all our camps and saw many students give their lives to Jesus, be baptized in the Holy Spirit, and be called to ministry. Students and churches also gave generously to Speed the Light and helped us to complete 7 projects - including a \$40,000 project for Project Rescue! Thank you for helping us invest in the next generation. God is on the move and a generation is rising to serve him!

Women's Ministry Report

Woven Women's Ministries is still celebrating all God did through THE SEED conference in October 2022. Each session led to God's word being planted, cultivated, and grown in women's lives. The time together has left lasting fruit that we continue to hear about. WOVEN Women's Ministries desires to continue to provide opportunities that equip and empower women to know, believe, and live out who they were created to be. This year, I am excited to partner with the local church even more because, ultimately, WOVEN Women's Ministries is here to serve the church as they serve the individual woman.

Men's Ministry Report

Men's Ministry in the year 2022 was extraordinary. We successfully hosted hundreds of Kansas men at Men's Conference where we spent 2 days having fun and pursuing Jesus. We golfed, shot some guns, threw some axes, and ate lots of meat. We raised money for Light for the Lost and were encouraged by our speaker and General Treasurer, Pastor Wilfredo 'Choco' De Jesus. We even successfully navigated a leadership transition, or "passing of the baton" from Pastor Randy Depriest to Pastor Stephen Luna. In 2023, we're looking forward to building on the excellent momentum that was gained in the previous year. Pastor Stephen is working to revamp the Kansas Lead Team, implement the new ministry initiative set forth by the national office (360Equip), and is aiming to build greater synergy with our other Ministry Departments.

KidMin Report

KidMin had a great year in 2022! Our kids learned more about the Bible through JBQ. They had a great time at camp, learning about how the Holy Spirit gives us power and gifts to use for His Kingdom. At KidCon, our kids learned that Jesus can help us with our fear and that He shines in the darkness and guides our steps. We had our first Fine Arts Jr. online competition, giving kids the opportunity to develop the gifts that God has given them. We also had another record year for BGMC, with a \$30,000 increase in giving. We are excited to see what God does in 2023!

Senior Adult Ministry Report

Senior Adult Ministries had a great rally at Wheat State Retreat Center in April. Pastor Bob Darnell organized a wonderful time of worship and fellowship which included a fantastic message by Pastor Vance Cauthon.
