

LICE CHECK FORM

Church Name & City: _____

All kids are required to have a head check for lice prior to their arrival at Kids Camp.

Please have a qualified person (teacher, nurse, chaperone, etc.) give each child a thorough check and complete the list below with each child's name. Have that qualified person sign as to each child being free of lice. We recommend that you perform this check early enough to allow parents appropriate time to treat their child before leaving for Camp.

LICE FREE?	CAMPER NAME	LICE FREE?	CAMPER NAME

I have checked each of these children for lice, and they are lice free. I understand that if children are brought to camp with lice, they may be sent home. *Duplicate this form as needed or use the back to add more names.*

_____ Printed Name of Qualified Person

_____ Signature of Qualified Person

When children come to Kids camp with lice, it not only diminishes their experience at camp but it affects others as well. Nurses and coaches spend hours upon hours each kids camp week, isolating and treating students for their and others health sake. **To help minimize this problem**, the AGK Children's Ministries has adopted a "No Nit/Lice Policy" for our camps and retreat weekends. Though it means a little extra time on the part of the churches, it will be minimal compared to the time and distress it causes students and workers at camp. The spirit of this policy is to minimize head lice infestations as a public health problem and to keep children at our event lice and nit free. For more information on this type of policy, you can visit www.headlice.org/downloads/nonitpolicy.htm. **Thank you for helping us keep your children as safe and healthy as possible!**
