

MEDICAL INFORMATION FROM PARENT

INSTRUCTIONS FOR PARENT:

1. All medications must be placed in a gallon-sized ziplock type bag with this form.
2. All prescription medications must be in original containers or labeled by your child's physician for any changes that have been made to their prescription.
3. Please send only as much medication as is needed for camp.
4. It is essential that we know the name, times, and amount of medication your child is taking so that the camp nurse has all needed information.

NOTE: Inhalers and Epi-pens will be allowed to be carried by campers or their coaches so they have access to them if needed.
