
CHI ALPHA CAMPUS MINISTRIES

Dear Parent or Guardian,

As you guide your child in transition to college, remember that this stage of life is more than getting a scholarship or good education. It's a season of spiritual formation as well. College life can present pressures and temptations. We believe your child can be equipped with a support system to not only survive but thrive spiritually. Chi Alpha desires to come alongside you in providing a safe, biblically sound community. Our mission is not only to develop their faith but also guide them in discovering God's specific calling on their lives. Chi Alpha offers one on one discipleship, small groups, weekly large group gatherings, retreats, and missions opportunities. Our core values center around Worship, Family, and Mission. We would love to be your next "hand off" during this season as your student grows into who God has created them to be. Below is contact information for Chi Alphas within Kansas. If your child is going out of state, Chi Alpha is also on nearly 300 campuses within the U.S. Please checkout www.chialpha.com to use their group locator or contact the KS Chi Alpha representative by the email listed below. We pray this time is filled with comfort and joy that can only come from God.

Sincerely yours,
